Word Wise : Enabled
Print length : 404 pages

OSS 2024 will feature a variety of tracks, including:

- Open source software engineering
- Open source software adoption and diffusion

- Open source software governance
- Open source software and society

The conference will also include a number of invited talks, panels, and workshops. For more information, please visit the OSS 2024 website.

Important Dates

- **Paper submission deadline:** October 15, 2023
- **Notification of acceptance:** December 15, 2023
- **Camera-ready paper submission deadline:** January 15, 2024
- **Conference dates:** May 22-24, 2024

Submission Guidelines

Authors are invited to submit original papers that have not been previously published or submitted for publication elsewhere. Papers should be formatted according to the IFIP WG 13 conference template and should be no more than 10 pages in length.

Papers should be submitted electronically via the OSS 2024 website.

Review Process

All submitted papers will be peer-reviewed by a panel of experts. Papers will be evaluated on their originality, significance, and technical quality.

Publication

Accepted papers will be published in the OSS 2024 conference proceedings. The proceedings will be available online and in print.

Contact Information

For more information, please contact the OSS 2024 organizing committee at oss2024@easychair.org.
