Print length : 457 pages

The conference will feature a variety of technical sessions, workshops, and tutorials. The technical sessions will cover a wide range of topics, including:

- Artificial intelligence
- Big data
- Cloud computing

- Cybersecurity
- Data mining
- Machine learning
- Networking
- Operating systems
- Programming languages
- Software engineering
- Systems analysis
- Virtual reality

The workshops and tutorials will provide attendees with the opportunity to learn about new technologies and trends in computer science. The workshops will be led by experts in the field and will cover a variety of topics, including:

- Android development
- Data science
- Deep learning
- Game development
- iOS development
- Machine learning
- Web development

The tutorials will be led by experts in the field and will cover a variety of topics, including:

- Artificial intelligence
- Big data
- Cloud computing
- Cybersecurity
- Data mining
- Machine learning
- Networking
- Operating systems
- Programming languages
- Software engineering
- Systems analysis
- Virtual reality

The 18th International Conference Xp 2024 is a must-attend event for anyone interested in the latest advances in computer science. The conference will provide attendees with the opportunity to learn about new technologies and trends, network with leading experts in the field, and gain insights into the future of computer science.

## **Registration**

Registration for the 18th International Conference Xp 2024 is now open. The registration fee includes access to all technical sessions, workshops, and tutorials. The registration fee also includes a welcome reception, a conference banquet, and a one-year subscription to the Xp journal.

To register for the conference, please visit the following website:

<https://www.xpconference.org>

### **Accommodation**

A variety of hotels are available near the conference venue. The conference organizers have negotiated special rates with several hotels. To book a hotel, please visit the following website:

<https://www.xpconference.org/accommodation>

### **Transportation**

The conference venue is located in the heart of Cologne, Germany. The venue is easily accessible by public transportation. The conference organizers have negotiated special rates with several airlines. To book a flight, please visit the following website:

<https://www.xpconference.org/transportation>

### **Visa Information**
