Personal Account Of The Mountbattens During The Transfer Of Power
National

Description

This book is a personal account of the Mountbattens during the transfer of power in India. It is written by Pamela Mountbatten, the wife of Lord Mountbatten, who was the last Viceroy of India. The book provides a unique insight into the events leading up to and following the independence of India in 1947.

The book begins with the Mountbattens' arrival in India in March 1947. They were tasked with overseeing the transfer of power from British rule to Indian independence. The book provides a detailed account of the negotiations and discussions that took place during this time. It also describes the social and political climate in India during this period.

The book also provides a personal account of the Mountbattens' experiences in India. They were witnesses to some of the most important events in Indian history. The book describes their meetings with Mahatma Gandhi, Jawaharlal Nehru, and other key figures in the Indian independence movement. It also describes their experiences living in India and their interactions with the Indian people.

The book is a valuable historical document that provides a unique insight into the events leading up to and following the independence of India. It is also a personal account of the Mountbattens' experiences in India.

Review
