Immersive Practice with 600+ Realistic Questions:

Put your knowledge into practice with over 600 high-quality AFQs that mirror the actual NCLEX-RN exam experience. Each question is meticulously crafted by experienced nurse educators, ensuring the authenticity and relevance of the content. Engage in active learning as you work through these practice questions, solidifying your understanding of key nursing concepts.

Expert Analysis and Rationale for Every Question:

Gain invaluable insights with detailed explanations and rationales provided for every AFQ. Lippincott's authors delve into the thought processes behind each correct answer, illuminating the critical thinking skills required for success. Learn from your mistakes and reinforce your strengths as you analyze the reasoning behind each question's outcome.

Comprehensive Review of Nursing Essentials:

Enhance your overall NCLEX-RN preparation with a comprehensive review of nursing fundamentals. Lippincott's "Lippincott NCLEX-RN Alternate Format Questions" serves as a valuable companion to your core nursing textbooks, providing a concise yet thorough overview of the essential concepts you need to know for success.

Additional Features for Enhanced Learning:

- **Interactive Online Q&A Forum:** Engage with fellow nursing students and experienced professionals in an interactive online forum, seeking support, sharing experiences, and solidifying your understanding.
- **Printable Practice Tests:** Assess your progress and identify areas for improvement with printable practice tests that simulate the actual NCLEX-RN exam format.
- **Detailed Answer Key and Scoring Guide:** Evaluate your performance accurately with a comprehensive answer key and scoring guide, providing valuable feedback on your strengths and weaknesses.

Benefits for Nursing Students and Educators:

- Boost student confidence and success on the NCLEX-RN exam.
- Provide a comprehensive and engaging learning resource for AFQs.
- Enhance critical thinking skills and problem-solving abilities.
- Improve overall nursing knowledge and clinical judgment.
- Support nurse educators in preparing students for the NCLEX-RN.
