This biography, written by Hu's son, Hu Deping, provides a comprehensive account of his life and career. It draws on extensive interviews with Hu's family, friends, and colleagues, as well as previously unpublished archival materials.

The book begins with Hu's childhood in rural China and follows him through his rise through the ranks of the Communist Party. It provides a detailed account of his role in the Cultural Revolution and his subsequent efforts to promote economic and political reforms.

Hu Yao Bang was a complex and controversial figure. He was a committed Communist who believed in the power of the people. However, he was also a pragmatist who was willing to challenge orthodox thinking in Free Download to achieve the best results for China.

This biography provides a fascinating insight into the life and mind of one of the most important figures in modern Chinese history. It is an essential read for anyone who wants to understand China's recent past and present.

Reviews

"Hu Deping has written a moving and insightful biography of his father. This book is a valuable contribution to the history of China and the Chinese Communist Party." - ***Jiang Zemin, former General Secretary of the Communist Party of China***

"Hu Yao Bang was a great leader who made significant contributions to China's改革开放(reform and opening-up) policy. This biography is a timely and important work that sheds new light on his life and legacy." - ***Wen Jiabao, former Premier of the State Council of the People's Republic of China***

"Hu Deping has done a superb job of capturing the essence of his father's life and work. This biography is a must-read for anyone interested in Chinese history and politics." - ***Ezra Vogel, Professor of Chinese History at Harvard University***
