NATIONAL TEEN DRIVER SAFETY WEEK **FACTS FOR TEEN DRIVERS**
 To learn more, visit [Responsibility.org](http://responsibility.org)

Teens have the highest rate of traffic fatalities and injuries among all age groups.

Among crashes involving teen drivers, 22% of the crashes were caused by a teen driver who was not wearing a seat belt.

6 out of 10 teen crashes result in a fatality or serious injury.

Among students who drove at least once, 40% said they had never received a driver's license.

Having a single teen driver in a household increases the risk of a crash by 20%.

Teens who say their parents set a good example by always wearing their seat belt are 25% more likely to wear their seat belt.

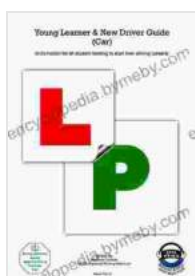

The number of young drivers involved in alcohol-related crashes has decreased 50% since 2007.

Of teens who admit to drinking alcohol, 25% said they had never driven a car while drunk.

What Can Parents Do? Set a Good Example

- Always model safe driving behavior
- Discuss safe driving with your teen on an ongoing basis
- Sign a contract with your teen driver
