Katy Tur is an Emmy Award-winning journalist who has covered some of the most important news stories of our time, including the 2016 presidential election, the COVID-19 pandemic, and the war in Ukraine. In her new memoir, *Rough Draft*, Tur offers an unfiltered look at her life and career, sharing the challenges she has faced and the lessons she has learned along the way.

A Small-Town Girl Dreams Big

Tur grew up in a small town in California, the daughter of a teacher and a journalist. She always dreamed of becoming a journalist herself, and she worked hard to achieve her goal. She attended the University of California, Berkeley, where she studied journalism and political science. After graduating, she got her first job as a reporter for a local newspaper in Fresno, California.

Tur's big break came in 2008, when she was hired by MSNBC as a correspondent. She quickly rose through the ranks, and in 2016, she was named the anchor of MSNBC's morning show, *MSNBC Live with Katy Tur*.

Covering the Biggest Stories of Our Time

Tur has covered some of the most important news stories of our time, including the 2016 presidential election, the COVID-19 pandemic, and the war in Ukraine. She has reported from the front lines of these stories, and she has interviewed some of the most powerful people in the world.

In *Rough Draft*, Tur shares her experiences covering these stories and the challenges she has faced along the way. She writes about the sexism and misogyny she has encountered as a woman in journalism, and she talks about the toll that covering traumatic events has taken on her.

An Unfiltered Look at Life and Career

Rough Draft is an unfiltered look at Tur's life and career. She shares her triumphs and her failures, her joys and her sorrows. She writes about the importance of following your dreams, even when it's difficult. And she writes about the power of resilience and the importance of never giving up.

Rough Draft is a must-read for anyone who is interested in journalism, politics, or women's issues. It is a powerful and inspiring memoir that will leave you feeling motivated and empowered.
