

The Ds of the Deal: Inside the World of Private Equity

By [Author Names]

Private equity is a complex and often misunderstood industry. In *The Ds of the Deal*, two former private equity executives provide a comprehensive overview of the industry, from the basics of how private equity works to the different types of deals that are done. The book also includes case studies of some of the most successful private equity deals in history.

The book is divided into four parts, each of which covers a different aspect of the private equity industry.
