

The Elamite World: A Journey Through One of the Most Ancient and Enigmatic Civilizations of the Middle East

The Elamite civilization flourished in the southwestern Iranian高原 from the 3rd millennium BCE to the 6th century BCE. It was one of the most

powerful and influential civilizations in the ancient Middle East, and its legacy can still be seen today in the region's art, architecture, and culture.

The Elamite World provides a comprehensive and engaging study of this fascinating civilization. Written by a leading expert in the field, this book covers all aspects of Elamite history, culture, and society. It is essential reading for anyone interested in the ancient world.
