The Last Comanche Chief is a gripping historical novel that tells the true story of Quanah Parker, the last great war chief of the Comanche Nation. Born to a Comanche mother and a white father, Quanah Parker was a complex and fascinating figure who led his people through some of the most turbulent times in American history.

The novel begins with Quanah Parker's childhood on the Texas frontier. As a young boy, he witnessed the brutal treatment of his people by the United States government. His father was killed by Texas Rangers, and his mother was taken captive. Quanah Parker was raised by his Comanche grandparents, who taught him the ways of their people.

As a young man, Quanah Parker became a skilled warrior and a respected leader. He fought against the United States government in the Red River

War, and he later led his people to a reservation in Oklahoma. Quanah Parker was a tireless advocate for his people, and he worked to preserve their culture and traditions.

The Last Comanche Chief is a well-written and engaging novel that brings to life the story of a remarkable man. Quanah Parker was a complex and fascinating figure, and his story is one that deserves to be told.

If you are interested in American history, Native American history, or historical fiction, then I highly recommend reading The Last Comanche Chief.

### **About the Author**

The Last Comanche Chief was written by James Alexander Thom, a historian and author who has written extensively about the American West. Thom's other works include Comanche Nation: A History (2001) and Crazy Horse: The Warrior's Journey (2009).

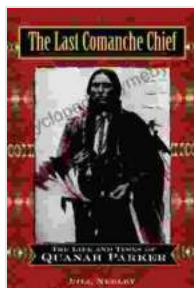

### **Reviews**

"The Last Comanche Chief is a gripping historical novel that tells the true story of Quanah Parker, the last great war chief of the Comanche Nation. Thom's writing is vivid and engaging, and he brings to life the story of a remarkable man." -Publishers Weekly

"The Last Comanche Chief is a well-researched and well-written novel that sheds light on a fascinating period of American history. Thom's portrayal of Quanah Parker is complex and nuanced, and he brings to life the challenges and triumphs of a great leader." -Kirkus Reviews
